

Revised standards 2010

2010-12-14

VCS 5023,059 General requirements for design-engineering documentation

2010-12-13

VCS 5027,4 Joining of thin sheet metal structures

VCS 5068,759 Surface requirements – Body in white/painted body

VCS 5737,19 Cathodically protective surface treatment with friction requirement Y 100

2010-12-07

STD 102-0008 Edges of undefined shape – burrs, undercuts and passings

2010-12-06

STD 5660,5 Soldering and brazing of metallic materials

STD 112-0007 Measurement-point document

STD 180-0001 Welding of metallic materials

STD 512-0002 Tube fittings for ports

2010-12-01

VCS 5511,179 Application of consequence classes on screw joints

2010-11-23

STD 186-0002 Application of critical characteristics on assembly requirements –
Screw joints

2010-11-16

VCS 5632,39 Arc stud welding

2010-11-15

STD 8003,1 Workplaces – requirements and applications

STD 8003,3 Illumination

STD 8003,4 Office workplaces

VCS 1029,639 Degreasing and regreasing

2010-11-11

STD 417-0001 Engine oil 97486

2010-11-05

STD 7411,1465 Ports and stud ends for O-rings

2010-11-02

STD 515-0002 Wiring harnesses

2010-11-01

STD 8015,15 Reference designations

2010-10-22

STD 8015,2 Electrical equipment

STD 525-0002 Crimping test methods for power cables, 16 mm² – 95 mm²

2010-10-19

VCS 5027,6 Joining of sheet-metal structures – car body

VCS 5068,759 Surface requirements – Body in white/painted body

2010-10-07

STD 1027,6311 Determination of contaminants

STD 107-0002 Cleanliness of components and systems

2010-10-06

STD 1024,6138 Extrudability

2010-10-05

STD 100-0005 Chemical substances which must not be present in products within the
Volvo Group

STD 100-0006 Reporting of substances and material composition to IMDS

STD 1027,5158 Fire test

2010-09-29

STD 7411,1461 Tube fittings for metal end

2010-09-24

STD 121-0002 Painting Y 650

2010-09-17

STD 1026,6172 Density

STD 1026,8177 Chemical resistance

STD 1112,32 Steel 1232

STD 1112,331 Steel V-1233

STD 1112,501 Steel V-1250

STD 1112,551 Steel V-1255

STD 1121,34 Steel 2134

STD 1121,42 Steel 2142

STD 1121,44 Steel 2144

2010-09-15

STD 121-0007 Common list of colours

STD 330-0001 Grey iron castings

STD 330-0002 Spheroidal graphite iron
STD 330-0003 Steel castings

2010-09-10

STD 185-0001 Adhesion of elastic adhesives
STD 1027,1375 Corrosion resistance
STD 5911,7 Watertightness

2010-08-27

VCS 5032,29 Documentation requirements (CR requirements)
VCS 5060,39 Classification of requirements
VCS 5063,4 Measurement point drawing

2010-08-24

VCS 5621,19 Spot welding

2010-07-13

STD 1023,7131 Determination of non-volatile matter
STD KAL 110,06 General information on traceability at calibration
STD KAL 110,10 General guidelines for calibration
STD KAL 110,11 Marking of measuring instruments

2010-07-01

STD 5020,1 Prefix-controlled part numbers

2010-06-28

STD 900-0002 Classification of documents
STD 1111,701 Steel V-1170
STD 1111,711 Steel V-1171
STD 1111,721 Steel V-1172
STD 1111,731 Steel V-1173
STD 1111,851 Steel V-1185
STD 1111,861 Steel V-1186
STD 1112,32 Steel 1232
STD 7411,1434 Hose connection

2010-06-23

VCS 5742,1049 Phosphating Y 104

2010-06-22

VCS 1027,33759 Moisture resistance in tropical cabinet

2010-06-16

VCS 5023,509 Symbols, designations and general drawing methods
VCS 5023,59 Additions to Ford Motor Company Engineering CAD & Drafting Standards (FECDS)
VCS 5511,719 Determination of friction properties for threaded fasteners

VCS 7121,281 Tapping screws

2010-06-15

STD 101-0006 General requirements for technical product documentation

STD 121-0003 Cathodically protective surface treatment with friction requirement Y 1000

2010-06-08

STD 1027,6132 Test liquids

2010-06-03

STD 5036,4 Declaration of chemicals to the Volvo Group

STD 103-0013 Parts marking with bar codes and 2-D symbologies

VCS 5750,129 List of colours

VCS 7121,2789 Tapping screws

2010-05-20

STD 1266,1 Requirement specification for decals

2010-05-18

VCS 5064,59 Dimensional tolerances for castings

2010-05-12

STD 111-0002 Dimensional tolerances for castings

2010-05-10

STD 5051,16 Text marking on parts

2010-05-06

VCS 5091,169 Cleanliness audit of manufacturing processes

VCS 5511,759 Static strength of pierce nut in sheet metal

2010-04-28

STD 107-0003 Cleanliness audit of manufacturing processes

2010-04-21

STD 5036,4 Declaration of chemicals to the Volvo Group

STD 422-0006 Resistance to short-duration contact with fluids

2010-04-13

STD 105-0006 Risk Management Macro-Process

VCS 1110,01 Steel - General structural steel - Plate/Sheet

VCS 1110,06 Steel - General structural steel - Structural, pneumatic and hydraulic tubes

VCS 1110,051 Steel - General structural steel

VCS 5621,19 Spot welding - Joint requirements - Steel

2010-04-09

STD 1142,2 Aluminium 4120

2010-04-06

VCS 5052,419 Generic identification and marking of plastics products

VCS 5080,2319 Cut corners, radii and cut-outs

STD 417-0001 Engine oil 97486

2010-03-31

STD 1006,001 General technical requirements for delivery and inspection of metal products

STD 1006,235 Bars, tube blanks and forgings of steel

STD 1006,237 Continuously cast steel for bars, tube blanks and forgings

2010-03-18

STD 1027,338 Outdoor testing in sub-tropical climate

2010-03-17

STD 1024,7125 Wear resistance

2010-03-16

STD 1271,45 Lubricant 97145

STD 5750,12 List of colours

VCS 1009,059 Testing of structural adhesives for body in white

2010-03-15

STD 1271,47 Sealer – threaded parts

2010-03-11

VCS 5068,759 Surface requirements – Body in white/painted body

VCS 5068,839 Surface requirements – Plastics substrates

2010-03-10

STD 104-0001 Flammability (burning behaviour) of interior materials

STD 311-0001 Steel - General structural steel – Plate/Sheet

STD 311-0005 Steel – General structural steel

STD 311-0006 Steel – General structural steel – Structural, pneumatic and hydraulic tubes

2010-03-08

STD 100-0002 Chemical substances which must not be present in processes or products within the Volvo Group

STD 100-0003 Chemical substances which should not be present in processes or products within the Volvo Group

STD 100-0005 Chemical substances which must not be present in products within the Volvo Group

2010-03-04

STD 524-0001 Adhesive tape

2010-03-03

STD 121-0003 Cathodically protective surface treatment with friction requirement Y 1000

2010-03-02

STD 101-0003 Datum targets for coordinate system

STD 112-0006 Geometrical tolerances for design in coordinate system

VCS 5732,1059 Electroplated coatings of zinc with passivation Y 105

2010-02-25

STD 5752,52 Painting Y 520

2010-02-19

STD 5511,17 Application of consequence classes on assembly requirements
Screw joints

2010-02-16

VCS 1006,0019 General technical requirements for delivery and inspection of metal
products

VCS 1006,2359 Bars, tube blanks and forgings of steel

VCS 1006,2379 Continuously cast steel for bars, tube blanks and forgings

VCS 1026,51729 Assessment of colour in light booth

2010-02-11

STD 5020,13 Identification of parts and documents

2010-02-05

STD 5051,16 Text marking on parts

STD 311-0004 Steel

2010-02-04

VCS 1107,4112 Spheroidal graphite iron V-0741

2010-02-03

STD 1000,51 Instructions concerning quality for forged parts

STD 1006,501 Instructions concerning quality provisions for forged parts

STD 311-0002 Steel sheet metal

STD 311-0003 Steel for cold forming

STD 311-0007 Steel

STD 311-0008 Spring steels

VCS 1027,1459 Corrosion effects of adhesives and sealants in joints

VCS 1281,249 Abrasion-resistant paint 98124

2010-01-20

VCS 1026,5289 Colour measurement of materials
STD 5027,51 Indication of continuous joints
STD 5027,52 Indication of mechanical joining and fasteners
VCS 5089,19 Tightness requirements
STD 5570,15 Adhesive bonding and sealing
STD 5572,1 Adhesive bonding
STD 7151,55 Spring washers
STD 9103,15 Routines for the introduction of chemical products

2010-01-22

STD 7121,161 Screws with prevailing torque feature
STD 7141,442 Mechanical properties
STD 7411,1711 Corrugated protecting hoses

2010-01-26

VCS 5027,4 Joining of thin sheet metal structures
