AB Volvo publishes 2015 Annual and Sustainability Report

Today, Monday, February 29, 2016, AB Volvo publishes its 2015 Annual and Sustainability Report on www.volvogroup.com.

This year the sustainability reporting is an integrated part of the Annual Report, which is focusing on the Volvo Group's ability to create value for customers, shareholders and other stakeholders in both the short and the long term.

The Annual and Sustainability Report 2015 describes, among other things, how all of the Volvo Group's products and services have been developed to strengthen customers' competitiveness and to contribute to efficient and sustainable transport and infrastructure solutions.
