

PRESS RELEASE

Volvo Group Capital Markets Day 2019

The Volvo Group invites institutional investors and financial analysts to the 2019 Investor Day in Gothenburg on June 18. Focus will be on the Group's latest innovations in fields such as electrified vehicles and autonomous transport solutions as well as service business development.

The program includes presentations of the overall strategic direction, business development and innovations together with customers, covered by Volvo Group President and CEO Martin Lundstedt and members of the Executive Management team. It will also be possible to test drive trucks, visit the truck plant and discuss with technical experts at an exhibition which covers the fields of electrification, automation, powertrain engineering and service business development.

Location: Volvo Trucks Experience Center, TLA-porten, Pressvägen, Torslanda, Sweden

Agenda:	08.30	Registration opens
	09:00	Test driving, experience center and truck plant visit
	11:30	Buffet lunch
	12:15	Presentations by the Executive Management team and a technology exhibition
	18:00	Informal dinner with executive management and technical experts and business developers
	19:30	End of program.

Registration to the event is now open at www.volvogroup.com/investors
