Mack Trucks Donates \$10,000.00 to Second Harvest Food Bank in the Greater Lehigh Valley

Mack Trucks has donated \$10,000.00 to the Second Harvest Food Bank of the Lehigh Valley and Northeast Pennsylvania, which serves 200 agencies in six local counties: Carbon, Lehigh, Monroe, Northampton, Pike, and Wayne.

Second Harvest has modified processes for distributing food and supplies to the community in compliance with policies and procedures outlined by the Centers for Disease Control (CDC), Governor Wolf, and the State of Pennsylvania.

The Mack Trucks Lehigh Valley Employee Activities Committee (EAC), which includes Lehigh Valley Operations (LVO), the Lehigh Valley Logistics Center (LVLC), and the Mack Customer Center (MCC), has conducted an annual collection drive for Second Harvest Food Bank for many years.

Second Harvest expressed their deepest gratitude and appreciation for the much needed financial support. The donation will support local families, which is where the demand is currently greatest due to the high level of short-term unemployment as local companies, businesses and schools temporarily close to help prevent the further spread of COVID-19.
