

**May 28, 2020**

**Reminder: LVO Parking Procedure**

**All employees parking in the south lot at LVO must enter through the Gehman Road gate and must exit through the Orchard Road gate.** This ensures that every employee receives the required temperature check upon arrival each day, while also allowing for a smooth, one-way flow of traffic.

Thank you for your cooperation.

**We Are Mack. We Are Safety. We Are People.**
