

Terms) the Margin (if any). For the purposes of this sub-paragraph (iii), "**ISDA Rate**" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent or other person specified in the applicable Final Terms under an interest rate swap transaction if the Agent or that other person were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions (as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the "**ISDA Definitions**")) and under which:

- (A) Floating Rate Option is as specified in the applicable Final Terms;
- (B) the Designated Maturity is the period specified in the applicable Final Terms; and
- (C) the relevant Reset Date is the day specified in the applicable Final Terms.

For the purposes of this sub-paragraph (iii), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Designated Maturity**", "**Euro-zone**" and "**Reset Date**" have the meanings given to those terms in the ISDA Definitions.

(iv) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (Relevant Financial Centre time) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of (A) above, no such offered quotation appears or, in the case of (B) above, fewer than three such offered quotations appear, in each case as at 11.00 a.m. (Relevant Financial Centre time) on the Interest Determination Date in question, the Agent shall request the principal London office of each of the Reference Banks to provide the Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately 11.00 a.m. (Relevant Financial Centre time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fourth decimal place with 0.00005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Agent with such offered quotations as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent determines as being the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of the rates, as communicated to (and at the request of) the Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately 11.00 a.m. (Relevant Financial Centre time) on the Interest Determination Date in question, deposits in the Specified Currency for a period

equal to that which would have been used for the Reference Rate by leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the Stockholm inter-bank market (if the Reference Rate is STIBOR) or the inter-bank market of the Relevant Financial Centre (if any other Reference Rate is used) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the 11:00 a.m. (Relevant Financial Centre time) on the Interest Determination Date in question, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Agent it is quoting to leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the Stockholm inter-bank market (if the Reference Rate is STIBOR) or the inter-bank market of the Relevant Financial Centre (if any other Reference Rate is used) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period).

"**Reference Banks**" means, in the case of a determination of LIBOR, the principal London office of four major banks in the London inter-bank market, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank, in the case of a determination of STIBOR, the principal Stockholm office of four major banks in the Stockholm inter-bank market and, in the case of a determination of any other Reference Rate, the principal office of four major banks in the inter-bank market of the Relevant Financial Centre, in each case selected by the Agent.

(v) *Minimum Rate of Interest and/or Maximum Rate of Interest*

If the applicable Final Terms specify a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the above provisions is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest. For the avoidance of doubt, the Minimum Rate of Interest shall not be less than zero. If the applicable Final Terms specify a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the above provisions is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(vi) *Determination of Rate of Interest and calculation of Interest Amounts*

The Agent will, at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Agent will calculate the amount of interest (the "**Interest Amount**") payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes which are represented by a global Note, the aggregate outstanding nominal amount of the Notes represented by such global Note; or
- (B) in the case of Floating Rate Notes in definitive form, the Calculation Amount;

Each Note (or, in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in the Trust Deed.

6. **Payments**

(a) *Method of Payment*

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Melbourne and Wellington, respectively); and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 8.

(b) *Presentation of Notes and Coupons*

Payments of principal in respect of definitive Notes will be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Notes, and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia) and its possessions).

Fixed Rate Notes in definitive form (other than Long Maturity Notes (as defined below)) should be presented for payment together with all unmaturing Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmaturing Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmaturing Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 8) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 9) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon the date on which any Floating Rate Note or Long Maturity Note in definitive form becomes due and repayable, unmaturing Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A "**Long Maturity Note**" is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmaturing Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

- (vi) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 7(h)); and
- (vii) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 8 or pursuant to any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed.

7. Redemption and Purchase

(a) *Redemption at Maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms (which shall be its nominal amount) in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms.

(b) *Redemption for Tax Reasons*

If the Issuer or the Parent satisfies the Trustee immediately prior to the giving of the notice referred to below that (i) as a result of any change in the laws of Sweden, which becomes effective on or after the Issue Date of the first Tranche of the Notes, on the occasion of the next payment due in respect of the Notes, the Issuer would be required to pay additional amounts as provided in Condition 8; or (ii) on the occasion of the next payment due in respect of the Notes, the Parent would be unable to procure the Issuer to make payment and, in making such payment itself under the Guarantee, the Parent would, as a result of any change in the laws of Sweden, which becomes effective on or after the Issue Date of the first Tranche of the Notes, be required

to pay additional amounts as provided in Condition 8, the Issuer may at its option, at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note) having given not less than 30 nor more than 60 days' notice to the Trustee and, in accordance with Condition 14, the Noteholders (which notice shall be irrevocable), redeem all the Notes, but not some only, at their Early Redemption Amount referred to in paragraph (h) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(c) *Redemption at the Option of the Issuer (Issuer Call)*

If Issuer Call is specified in the applicable Final Terms, the Issuer may, having given:

- (i) not less than 15 nor more than 30 days' notice to the Noteholders in accordance with Condition 14; and
- (ii) not less than 15 days before the giving of the notice referred to in (i), notice to the Trustee;

(which notices shall be irrevocable), redeem all or some only, as specified in the applicable Final Terms, of the Notes then outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s). Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount or not more than a Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms. In the case of a partial redemption of Notes, the Notes to be redeemed ("**Redeemed Notes**") will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the "**Selection Date**"). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 not less than 15 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Notes represented by definitive Notes shall bear the same proportion to the aggregate nominal amount of all Redeemed Notes as the aggregate nominal amount of definitive Notes outstanding bears to the aggregate nominal amount of all Notes outstanding, in each case on the Selection Date, provided that such first mentioned nominal amount shall, if necessary, be rounded downwards to the nearest integral multiple of the lowest Specified Denomination, and the aggregate nominal amount of Redeemed Notes represented by a global Note shall be equal to the balance of the Redeemed Notes. No exchange of the relevant global Note will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this sub-paragraph (c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 at least 5 days prior to the Selection Date.

(d) *Make-whole Redemption by the Issuer*

If Make-whole Redemption is specified in the applicable Final Terms, the Issuer may, having given:

- (ii) not less than 15 days before the giving of the notice referred to in (i), notice to the Trustee;

(which notices shall be irrevocable and shall specify the date fixed for redemption (such date being hereinafter called the "**Make-whole Redemption Date**")) redeem all or some only of the Notes then outstanding at any time prior to their Maturity Date at their relevant Make-whole Redemption Amount. On or not later than the Business Day immediately following the Calculation Date, the Determination Agent shall notify the Issuer, the Trustee, the Noteholders and such other parties as may be specified in the applicable Final Terms of the Make-whole Redemption Amount. All Notes in respect of which any such notice referred to above is given

shall be redeemed on the relevant Make-whole Redemption Date in accordance with this Condition.

In the case of a partial redemption of Notes, the Notes to be redeemed (Redeemed Notes) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the Selection Date). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 not less than 15 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Notes represented by definitive Notes shall bear the same proportion to the aggregate nominal amount of all Redeemed Notes as the aggregate nominal amount of definitive Notes outstanding bears to the aggregate nominal amount of all Notes outstanding, in each case on the Selection Date, provided that such first mentioned nominal amount shall, if necessary, be rounded downwards to the nearest integral multiple of the lowest Specified Denomination, and the aggregate nominal amount of Redeemed Notes represented by a global Note shall be equal to the balance of the Redeemed Notes. No exchange of the relevant global Note will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this sub-paragraph (d) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 at least 5 days prior to the Selection Date.

Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

14. **Notices**

All notices regarding the Notes shall be published (i) in the *Financial Times* or any other daily newspaper in London approved by the Trustee or, if this is not possible, in one other English language daily newspaper approved by the Trustee with general circulation in Europe, and (ii) if the Notes are listed on the Official List, and admitted to trading on the regulated market, of the Luxembourg Stock Exchange (so long as the rules of that exchange so require) in a daily newspaper with general circulation in

Any such notice will be deemed to have been given on the date of the first publication in all the required newspapers and, if applicable, on the website of the Luxembourg Stock Exchange (www.bourse.lu).

Until such time as any definitive Notes are issued, there may (provided that, in the case of Notes listed on any stock exchange, the rules of such exchange or any other relevant authority permit) so long as the global Note(s) is/are held in its/their entirety on behalf of Euroclear and Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear and Clearstream, Luxembourg for communication by them to the holders of the Notes, except that if the Notes are listed on the Luxembourg Stock Exchange notice will, in any event, be published in a daily newspaper with general circulation in Luxembourg or in places required by the rules of that Stock Exchange so long as the rules of the relevant exchange so require. Any such notice shall be deemed to have been given to the holders of the Notes on the seventh day after the day on which the said notice was given to Euroclear and Clearstream, Luxembourg.

Notices to be given by any holder of the Notes shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a global Note, such notice may be given by any holder of a Note to the Agent via Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

15. Meetings of Noteholders, Modification and Waiver

The Trust Deed contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes, the Coupons or any of the provisions of the Trust Deed. Such a meeting may be convened by the Issuer or Noteholders holding not less than five per cent. in nominal amount of the Notes for the time being outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes or Coupons (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes or Coupons) or certain of the provisions of the Trust Deed, the necessary quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than three-quarters, or at any adjourned such meeting not less than a clear majority, in nominal amount of the Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all Couponholders.

The Trust Deed provides that the Trustee may agree, without the consent of the Noteholders or Couponholders, to any modification (subject as provided above) of, or to any waiver or authorisation of any breach or proposed breach of, any of these Terms and Conditions or any of the provisions of the Trust Deed, or may determine that any condition, event or act which, but for such determination, would constitute an Event of Default, shall not be treated as such which in any such case, in the opinion of the Trustee, is not materially prejudicial to the interests of the Noteholders or to any modification of any of these Terms and Conditions or any of the provisions of the Trust Deed which is of a formal, minor or technical nature or which is made to correct a manifest error. Any such modification, waiver, authorisation or determination shall be binding on the Noteholders and Couponholders and, unless the Trustee agrees otherwise, any such modification shall be notified to the Noteholders as soon as practicable thereafter in accordance with Condition 14.

In connection with the exercise by it of any of its trusts, powers, authorities or discretions (including, but without limitation, any modification, waiver, authorisation, determination or substitution), the Trustee

shall have regard to the interests of the Noteholders as a class and, in particular, but without limitation, shall not have regard to the consequences of such exercise of its trusts, powers, authorities or discretions for individual Noteholders and Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer or the Parent or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders except to the extent already provided for in Condition 8 and/or any undertaking given in addition to, or in substitution for, Condition 8 pursuant to the Trust Deed.

16. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Noteholders or Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes.

17. Enforcement

The Trustee may at its discretion and without further notice take such proceedings against the Issuer and/or the Parent as it may think fit to enforce the obligations of the Issuer and/or the Parent under the Trust Deed and the Notes and Coupons, but it shall not be bound to take any such proceedings or any other action unless (i) it shall have been so directed by an Extraordinary Resolution of the Noteholders or so requested in writing by holders of at least one-quarter in nominal amount of the Notes outstanding and (ii) it shall have been indemnified to its satisfaction. No Noteholder or Couponholder shall be entitled to proceed directly against the Issuer and/or the Parent unless the Trustee, having become bound so to do, fails so to do within a reasonable period and such failure is continuing.

18. Substitution

The Trustee may, without the consent of the Noteholders or the Couponholders, agree with the Issuer and the Parent (or, if applicable, their successors in business as defined in the Trust Deed) to the substitution (i) in place of the Issuer (or of any previous substitute under this Condition) as the principal debtor under the Notes, the Coupons and the Trust Deed of (I) the successor in business of the Issuer or (II) another company being the Parent (or the successor in business of the Parent) or of any of the other Subsidiaries of the Parent (or its successor in business as aforesaid), or (ii) in place of the Parent (or of any previous substitute under this provision) of its successor in business, subject in each case to (a) except where the Parent becomes the principal debtor the Notes being unconditionally and irrevocably guaranteed by the Parent or its successor in business, (b) the Trustee being satisfied that the interests of the Noteholders will not be materially prejudiced by the substitution, and (c) certain other conditions set out in the Trust Deed being complied with.

19. Indemnification

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility in certain circumstances including provisions relieving it from instituting proceedings to enforce repayment unless indemnified to its satisfaction.

20. Contracts (Rights of Third Parties) Act 1999

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

21. Governing Law and Submission to Jurisdiction

The Trust Deed, the Notes and the Coupons, and any non-contractual obligations arising out of, or in connection with them, are governed by, and shall be construed in accordance with, English law.

The Issuer and the Parent have each irrevocably agreed in the Trust Deed for the exclusive benefit of the Trustee, the Noteholders and the Couponholders, that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed, the Notes and the

Coupons (including any disputes relating to any non-contractual obligations arising out of, or in connection with them) and that accordingly any suit, action or proceedings arising out of or in connection therewith (together referred to as "**Proceedings**") may be brought in the courts of England.

The Issuer and the Parent have in the Trust Deed irrevocably and unconditionally waived and agreed not to raise any objection which they may have now or subsequently to the laying of the venue of any Proceedings in the courts of England and any claim that any Proceedings have been brought in an inconvenient forum and have further irrevocably and unconditionally agreed that a judgment in any Proceedings brought in the courts of England shall be conclusive and binding upon the Issuer or, as the case may be, the Parent and may be enforced in the courts of any other jurisdiction. Nothing in this provision shall limit any right to take Proceedings against the Issuer or the Parent in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

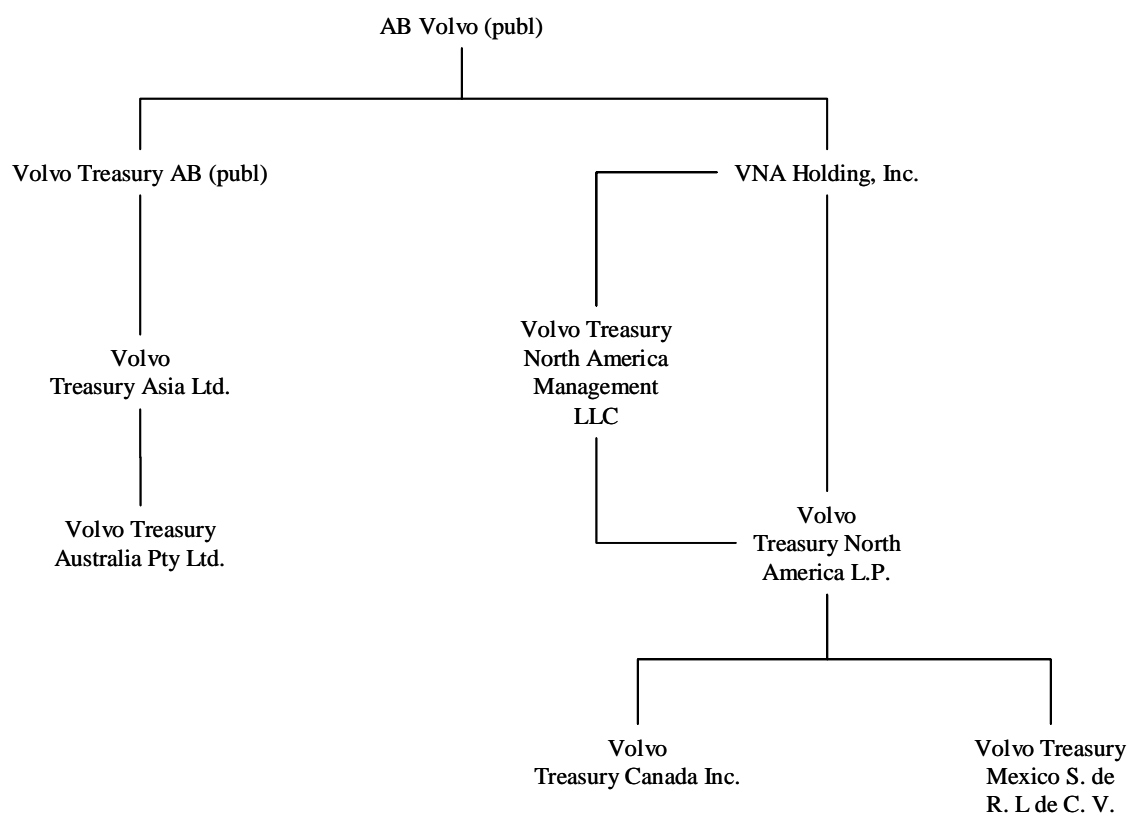

The Issuer and the Parent have in the Trust Deed appointed VFS Financial Services Limited at its office for the time being at Wedgnoek Lane, Warwick CV34 5YA as their agent in England for service of process on their behalf and have agreed that in the event of VFS Financial Services Limited ceasing so to act they will appoint such other person as the Trustee may approve as their agent for service of process.

USE OF PROCEEDS

The net proceeds from each issue of Notes will be applied by the Issuer for general funding purposes.

AB VOLVO (publ)

General

AB Volvo (publ) (the "**Parent**" or "**AB Volvo**") is the parent company of the Volvo Group and was incorporated on 5 May 1915 under the laws of Sweden. The Parent is registered with the Swedish Companies Registration Office under No. 556012-5790 as a public company with limited liability, has its registered office at SE-405 08 Gothenburg, Sweden and operates under Swedish law. The telephone number of the office is +46 31 66 00 00.

The objects of the Parent's operations are set out in paragraph 2 of its Articles of Association. They include (directly or through subsidiaries) carrying on business within the areas of transport, foodstuffs, energy and finance (with the exception, however, of activities provided for under the Swedish Banking Business Act and the Swedish Credit Market Companies Act), managing real estate and moveable property and carrying on other activities compatible therewith.

The Parent is the holding company of all the companies in the Volvo Group, directly or indirectly, and the assets of the Parent are substantially comprised of shares in Volvo Group companies. The Parent does not conduct any business itself and is therefore dependent on the Volvo Group companies and the revenues received by them.

The Volvo Group is an international transport equipment group with a worldwide marketing organisation and production. The Parent started production of cars in 1927 and of trucks in 1928. Historically, the Volvo Group has operated in two main areas: cars and vehicles for commercial use. The latter includes trucks, buses, construction equipment and marine and industrial engines. Operations have also included production of aircraft engine components and related services. The Volvo Group also has a financial services operation. In March 1999, the Volvo Group sold Volvo Cars to Ford Motor Company. Through the acquisition of Mack Trucks Inc. and Renault V.I. in 2001, the Volvo Group strengthened its position as a producer of heavy duty trucks. Through the acquisitions of Japanese truck manufacturer Nissan Diesel (name changed to UD Trucks in 2009), Chinese wheel-loader manufacturer Lingong and Ingersoll Rand's division for road construction equipment in 2007, the formation of a joint-venture within trucks and buses with India-based Eicher Motors in 2008 as well as the acquisition of 45 per cent. of Dongfeng Commercial Vehicles in China in 2015 the Volvo Group has considerably strengthened its position in Asia. On 1 October 2012, the Volvo Group completed the divestment of Volvo Aero to GKN. The Volvo Group is today focused on the commercial transport products segment.

Headquartered in Gothenburg, Sweden the Volvo Group had 96,664 employees including temporary employees and consultants as at 30 September 2016. The Volvo Group operates in an international environment with manufacturing carried out in 18 countries and with sales in more than 190 countries worldwide. Its shares are traded on Nasdaq Stockholm.

Principal activities

The Volvo Group has its origins in 1927. The first truck, the Series 1, was presented in January 1928. Today, the Volvo Group is one of the world's leading suppliers of commercial transport solutions providing products such as trucks, buses, construction equipment as well as drive systems for marine and industrial applications. The Volvo Group also offers its customers spare parts and aftermarket services as well as financial services.

The Volvo Group's strategic priorities are to:

- Reinforce Volvo as a global premium heavy-duty truck brand and regain the position and market shares of Renault Trucks, Mack and UD as regional high-end truck brands.
- Create the most desirable heavy-duty product and service portfolio tailored to selected premium, high-end and value segments.
- Secure robust profitability through leading research and development, quality, purchasing and manufacturing operations using Volvo Production System.
- Establish brand specific sales operations with focus on retail excellence and a growing service business.

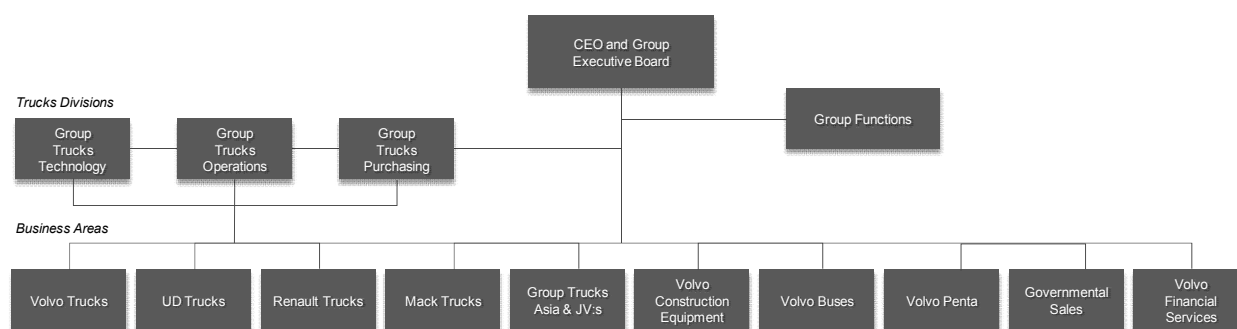

- Leverage Group assets in non-truck Business Areas, creating additional profits, synergies and technology leadership.
- Capture Asia growth through joint ventures and value truck in a separate value chain – and leverage in other emerging markets.
- Revitalise the Volvo Group culture with focus on Customer Success, Trust, Passion, Change and Performance.

Principal markets

Volvo Group customers are active in more than 190 countries worldwide. Volvo Group sales of products and services are conducted through both wholly-owned and independent dealers. The global service network handles customer demand for spare parts and other services.

The Volvo Group's largest geographical markets during the first nine months of 2016 were Europe which accounted for 43 per cent. of net sales, North America 28 per cent. and Asia 18 per cent.. The Industrial Operations' net sales per segment during the first nine months of 2016 were distributed as follows: Trucks 67 per cent., Construction Equipment 17 per cent., Buses 8 per cent., Volvo Penta 3 per cent. and Corporate Functions and Other Areas 5 per cent.

Organisational Structure

Since 1 March 2016, the Volvo Group's business activities have been organised into ten business areas: Volvo Trucks, UD Trucks, Renault Trucks, Mack Trucks, Group Trucks Asia & JV's, Volvo Construction Equipment, Volvo Buses, Volvo Penta, Governmental Sales and Volvo Financial Services.

Further to this there are three truck divisions: Group Trucks Technology ("GTT"), Group Trucks Operations ("GTO") and Group Trucks Purchasing ("GTP"). GTT is responsible for the development of engines, transmissions and trucks. GTO is responsible for the production of trucks and the Volvo Group's engines and transmissions. GTP is responsible for purchasing.

The divestment is part of a long-term plan to locate the majority of Gothenburg-based Volvo Group employees in an area that will be called Campus Lundby. The Volvo Group will rent some of the properties that are sold during a transitional period, pending the completion of Campus Lundby. The Volvo Group's operating cash flow and financial net debt will be positively affected in the amounts of SEK 2.6 billion and SEK 2.3 billion, respectively, in conjunction with the closing of the transaction, which is expected to be carried out in the fourth quarter of 2016.

The initiation of a divestment process is subject to the finalisation of mandatory consultations with staff representative bodies.

Litigation

On 19 July 2016, the Volvo Group reached a settlement with the European Commission putting an end to a long-running EU antitrust investigation. As part of the settlement, the Volvo Group paid a fine of EUR 670 million, corresponding to SEK 6.3 billion. The amount is mainly covered by provisions made in 2014 and 2016, in total EUR 650 million (SEK 6.1 billion). An additional provision had a negative impact of EUR 20 million (SEK 0.2 billion) on the operating income in the third quarter of 2016. The anti-trust investigation concerned the time between 1997 and January 2011 and involved the Volvo Group as one of six manufacturers. The focal point of the case was the coordination on gross list prices but also the introduction of new emission related technologies. Following the adoption of the European Commission's settlement decision, the Volvo Group will be dealing with private damages claims from customers and other third parties alleging that they suffered loss by reason of the conduct covered in the decision. At this stage it is not possible to make a reliable estimate of the amount of any liability that could arise from any such proceedings.

In April 2011, the Volvo Group's truck business in Korea and a number of other truck companies became the subject of an investigation by the Korean Fair Trade Commission. A decision was rendered in August 2016 by the High Court in Seoul which found in favour of the Volvo Group's appeal of the fine imposed by the Korean Fair Trade Commission of approximately SEK 133 million (as of 30 September 2016). The Korean Fair Trade Commission filed an appeal of the High Court decision to the Korean Supreme Court in September 2016. A contingent liability corresponding to the fine amount remains.

Global companies such as the Volvo Group are occasionally involved in tax processes of varying scope and in various stages. The Volvo Group regularly assesses these tax processes. When it is probable that additional taxes must be paid and the outcome can be reasonably estimated, the required provision is made.

The Volvo Group is also involved in a number of legal proceedings other than those described above. The Volvo Group's assessment is that such other legal proceedings in aggregate are not likely to entail any risk of having a material effect on the Volvo Group's financial position.

TAXATION

The statements below in relation are general in nature and neither these statements nor any other statements in this Prospectus are to be regarded as advice on the tax position of any Noteholder or any person purchasing, selling or otherwise dealing in Notes. Prospective holders of Notes and Noteholders who are in doubt about their tax position should consult their own professional advisers.

Swedish Taxation

The following overview outlines certain Swedish tax consequences of the acquisition, ownership and disposal of Notes. The overview is based on the laws of the Kingdom of Sweden as currently in effect and is intended to provide general information only. The overview is not exhaustive and does thus not address all potential aspects of Swedish taxation that may be relevant for a potential investor in the Notes and is neither intended to be nor should be construed as legal or tax advice. In particular, the overview does not address the rules regarding reporting obligations for, among others, payers of interest. Specific tax consequences may be applicable to certain categories of corporations, e.g. investment companies and life insurance companies, not described below. Investors should consult their professional tax advisors regarding the Swedish and foreign tax consequences (including the applicability and effect of double taxation treaties) of acquiring, owning and disposing of Notes in their particular circumstances.

Under Swedish tax law, no withholding tax is imposed on payments of principal or interest to a non-resident holder of any Notes.

Private individuals who are not resident in the Kingdom of Sweden for tax purposes may be liable to capital gains taxation in the Kingdom of Sweden upon disposal or redemption of certain financial instruments, depending on the classification of the particular financial instrument for Swedish income tax purposes, if they have been resident in the Kingdom of Sweden or have lived permanently in the Kingdom of Sweden at any time during the calendar year of disposal or redemption or the ten calendar years preceding the year of disposal or redemption.

Resident holders of Notes

As used herein, a resident holder means a holder of Notes who is (a) an individual who is a resident in Sweden for tax purposes or (b) an entity organised under the laws of Sweden.

Generally, for Swedish corporations and private individuals (and estates of deceased individuals) that are resident holders of any Notes, all capital income (e.g. income that is considered to be interest for Swedish tax purposes and capital gains on Notes) will be taxable.

If the Notes are registered with Euroclear Sweden AB or held by a Swedish nominee in accordance with the Swedish Financial Instruments Accounts Act (SFS 1998:1479), Swedish preliminary taxes are withheld by Euroclear Sweden AB or by the nominee on payments of amounts that are considered to be interest for Swedish tax purposes to a private individual (or an estate of a deceased individual) that is a resident holder of any Notes.

Luxembourg Taxation

The following overview is of a general nature and is included herein solely for information purposes. It is based on the laws in force in Luxembourg at the date of this Prospectus, though it is not intended to be, nor should it be construed to be, legal or tax advice. Prospective investors in the Notes should therefore consult their own professional advisers as to the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject.

Please be aware that the residence concept used under the respective headings below applies for Luxembourg income tax assessment purposes only. Any reference in the present section to a withholding tax or a tax of a similar nature refers to Luxembourg tax law and/or concepts only.

Withholding Tax

(i) *Non-resident holders of Notes*

Under Luxembourg general tax laws currently in force, there is no withholding tax on payments of principal, premium or interest made to non-resident holders of Notes, nor on accrued but unpaid interest in respect of the Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the Notes held by non-resident holders of Notes.

(ii) *Resident holders of Notes*

Under Luxembourg general tax laws currently in force and subject to the law of 23 December 2005, as amended (the "**Law**") mentioned below, there is no withholding tax on payments of principal, premium or interest made to Luxembourg resident holders of Notes, nor on accrued but unpaid interest in respect of Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of Notes held by Luxembourg resident holders of Notes.

Under the Law payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the benefit of an individual beneficial owner who is a resident of Luxembourg will be subject to a withholding tax at a current rate of 10 per cent. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the Notes coming within the scope of the Law would be subject to withholding tax at a current rate of 10 per cent.

In addition, pursuant to the Law, Luxembourg resident individuals who are the beneficial owners of savings income paid by a paying agent within the meaning of the EU Savings Directive established outside Luxembourg, in a Member State of either the European Union or the European Economic Area, or in a jurisdiction having concluded an agreement with Luxembourg in connection with EC Council Directive 2003/48/EC on the taxation of savings income in the form of interest payments, can opt to self declare and pay a 10 per cent. withholding tax on this savings income. This 10 per cent. tax is final when Luxembourg resident individuals are acting in the context of the management of their private wealth.

Further to the bill 7020 proposing a tax reform for 2017 ("*Steier Reform*"), the Luxembourg government has suggested to Parliament that the 10 per cent. levy should be further increased to 20 per cent. as from the fiscal year 2017. If adopted, the bill should repeal and amend, where applicable, the law dated 23 December 2005 to reflect this change.

The proposed financial transactions tax ("FTT")

On 14 February 2013, the European Commission published a proposal (the "**Commission's Proposal**") for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the "**participating Member States**"). However, Estonia has since stated that it will not participate.

The Commission's Proposal has very broad scope and could, if introduced, apply to certain dealings in Notes (including secondary market transactions) in certain circumstances.

Under the Commission's Proposal the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the FTT proposal remains subject to negotiation between participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate.

Prospective holders of Notes are advised to seek their own professional advice in relation to the FTT.
