FINAL TERMS

PROHIBITION OF SALES TO FEA AND UK RETAIL INVESTORS -The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**") or in the United Kingdom("**UK**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU ("**MiFID II**"); or (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation (as defined below). Consequently no key information document required by Regulation (EU) No 1286/2014 (the "**PRIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA or in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the PRIIPs Regulation.

GOVERNANCE / PROFESSIONAL MiFID Π PRODUCT INVESTORS AND ELIGIBLE COUNTERPARTIES ONLY TARGET MARKET - Solely for the purposes of each manufacturer's product approval process, the target market as sessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in M iFID II; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturers' target market as sessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels. For the avoidance of doubt, neither the Issuer nor the Parent is a manufacturer for the purposes of the MiFID Product Governance Rules

		A3 by Moody's Investors Service (Nordics) AB(" Moody's "); and
		A-by S&P Global Ratings Europe Limited ("S&P").
		Each of Moody's and S&P is established in the European Union and is registered under Regulation (EC) No. 1060/2009 (as amended). As such S&P and Moody's are included in the list of credit rating agencies published by the European Securities and Markets Authority on its website in accordance with such Regulation.
		According to Moodys' rating system, obligations rated "A" are judged to be upper-medium grade with low credit risk. Moody's appends numerical modifiers 1, 2, and 3 to each generic rating classification from "Aa" through "Caa". The modifier 1 indicates that the obligation ranks in the higher end of its generic rating category; the modifier 2 indicates a mid- range ranking; and the modifier 3 indicates a ranking in the lower end of that generic rating category. According to S&P's rating system, an obligation rated "A" is somewhat more susceptible to the adverse effects of changes in circums tances and economic conditions than obligations in higher-rated categories. However, the obligor's capacity to meet its financial commitments on the obligation is still strong. The addition of pluses and minuses provides further distinctions within the
