

GRI Content Index

The sustainability disclosures of the Volvo Group 2021 are found in the Annual and Sustainability Report. This GRI content index includes references to the Annual and Sustainability Report and to certain complementary information found on volvogroup.com.

Strategy and business model are integrated in the overview of the Group on pages 10–43.

Risks are reported in the Enterprise Risk Management section on pages 70–75 and complemented with sustainability management approach in Sustainability Notes.

Governance is integrated in the Corporate Governance Reportare in general and in particular on pages 183 and 190.

Specific disclosures, metrics, materiality, reporting practices and disclosures on organizational profile are found in the Sustainability Notes on pages 152–179.

*Omissions are marked with an asterisk and the reason for omission.

For some disclosures, additional context to omissions can also be found available in the Sustainability Notes.

GRI INDEX 2021

GENERAL DISCLOSURES		Page number and link	Omission/Comment
ORGANIZATIONAL PROFILE
