

GRI CONTENT INDEX

The sustainability disclosures of the Volvo Group 2020 are found in the Annual and Sustainability Report. This GRI content index includes references to the Annual and Sustainability Report and to certain complementary information found on volvogroup.com.

Strategy and business model are integrated in the overview of the Group on pages 6–39.

Risks are reported in the Enterprise Risk Management section on pages 68–75 and complemented with sustainability management approach in Sustainability Notes.

Governance is integrated in the Corporate Governance Reportare in general and in particular on pages 175 and 182.

Specific disclosures, metrics, materiality, reporting practices and disclosures on organizational profile are found in the Sustainability Notes on pages 150–171.

Omissions are marked with an asterisk and a code for the omission:

*C = Competitively sensitive information

*D = Lack of data or information

In the case where omissions need to be further explained, this is done in the Sustainability Notes where more space is available.
