Press comments

■ Renault Maxity

"If you need the productivity and sheer value for money of a cab over 3,5-tonner this is the best of the bunch".

Commercial Motor (UK) 01 02 2007

■ Renault Lander and Renault Kerax

"Lander is a truck that the French manufacturer should be shouting from the rooftops about."

Transport news (UK) Sept 2007

"Renault has now two models that cater to the constructions sector better than most."

Fleet Transport (Ireland) September 2007

Light Duty vehicles : a very valuable business

- A huge market: (GVW 2,7 t – 7t)

3 Millions vehicles / year worldwide
1 Million vehicles / year in Europe

- A growing market:

+2 to +4 % per year depending on the continent

- A stable market:

Less sensitive to the cycles

A LOT OF BUSINESS OPPORTUNITIES

A wider product offer through OEM strategy

A double partnership with Renault SA and Nissan Motor

→ Several complementary products

**Renault
Mascott**

**Renault
Midlum 7.5t**

**Renault
Master**

**Renault
Maxity**
